SERVSAFE® ALCOHOL ADVANCED CERTIFICATION COURSE

Your Servers will be Challenged all the TIME. ServSafe® Alcohol Training Challenges them First.

What is the ServSafe® Alcohol Advanced Certification Course?

The ServSafe® Alcohol Advanced Certification course outlines effective responsible alcohol service practices for all front-of-the-house staff.

Who should take the ServSafe® Alcohol Advanced Certification?

The ServSafe® Alcohol Advanced Certification course is recommended for all front-of-the-house staff, including bartenders, waiters, hosts, busers, security and valets.

How long does the certification last?

This nationally recognized certification is valid for three years.

Why do I need this course?

Proper alcohol service is a responsibility we all share. The consequences of service violations can be serious. It's vital that your entire staff gets involved to help prevent improper service. The ServSafe® Alcohol Advanced Certification course assists in giving your staff the training they need to help assure every drink served is a safe one.

What material do I receive with the course?

Each course participant will receive The Fundamentals of Responsible Alcohol Service textbook which will provide practical, yet comprehensive, knowledge that assists all front-of-the-house staff in learning what they need to know to serve alcohol responsibly.
