SERVSAFE® FOOD PROTECTION MANAGER CERTIFICATION EXAMINATION COURSE

FREQUENTLY ASKED QUESTIONS

What is the ServSafe® Food Protection Manager Certification Examination Course?

This 8 hour course (plus examination) is designed to provide foodservice managers and employees with a detailed understanding and comprehension of food safety.

Who should take the ServSafe® Food Protection Manager Certification Examination Course?

The course is recommended for all foodservice managers, owners, operators, F&B directors, chefs, line cooks, kitchen managers, dietary managers, dieticians and others who need food safety training and certification.

How long does the certification last?

This nationally recognized certification is **valid for five years**.

Why do I need this course?

Food safety certification is now Georgia LAW. This course meets the new Certified Food Safety Manager (CFSM) state requirements and is designed to provide participants with viable information on potentially hazardous foods and safe food handling practices, the HACCP system of food safety; establishing, purchasing, and receiving standards and procedures; designing facilities and selecting appropriate equipment and guidelines for working with regulatory agencies. Participants are trained, tested and certified with the ServSafe® Food Protection Manager Certification Examination.

What material do I receive with the course?

Each course participant will receive the 5th Edition ServSafe® Essentials with exam answer sheet. The content is presented in a simplified and user-friendly way with fresh learning activities and segment-specific, real-world case scenarios.

How do I register?

Online: on the GRA website www.garestaurants.org/Schedule.
