Donation Hotline: 770-962-4200

## How Can We Help?

The Habitat ReStore Procurement team believes in partnering with businesses to reduce the costs of excessive inventory.

### We gladly accept donations of:

- Overstock
- Obsolete inventory
- Manufacturer over-runs and slight seconds
- Customer mis-orders
- Scratch and dents or floor models
- Discontinued product lines

These items take up valuable storage space, are costly to dispose of, and can instead be used to help transform communities.

### *Run a more efficient operation while supporting a great organization!*

## Your donations are sold in Habitat for Humanity ReStores to help build homes and hope!

### Why Habitat ReStores?

The Habitat ReStore provides support and funding to the Habitat for Humanity ministry. Your donations directly help our mission of eliminating substandard housing in the suburban Atlanta region and beyond.

### What are the benefits to donating to Habitat ReStores?

- Habitat for Humanity is a 501(c)3 exempt organization, and your donations may be tax-deductible.
- When you donate your excessive inventory to Habitat ReStore, you keep reusable materials out of landfills.
- Based on the donation type and frequency, your business may be recognized as a local Habitat for Humanity contributor.
- We provide a free and reliable pick up service, making donating easy and convenient.
